IEC 62443-4-1: Secure product development lifecycle requirements

Certificate. No.: ZSTS/SWZE/7752

Organisation:

(legal name & address)

TTTech Computertechnik AG
Schönbrunner Straße 7
1040 Wien, Austria

Product:

(detailed description)

Product certification of the suitability of the product development process to ensure compliance of products with specified criteria that are to be incorporated into industrial automation systems and to determine their information security/cyber security, according to IEC 62443-4-1.

Notes:

Product development process of the "Development IoT" department within TTTech Industrial Automation AG for the field of remotely managed edge computing in the industrial and energy domains.

Maturity level 3 was reached.

Testing standard / Reference:

(norm / standard / directive)

IEC 62443-4-1 Edition 2018-01

Audit-Report no.:

TÜV-A-2026-0006041

Valid from:

29.04.2026

This certificate is valid until:

28.04.2029

According to the above stated audit report(s) the product tested comply with the applicable requirements of the mentioned reference. This Certificate has been granted to the applicant based on the results of testing performed and the consequent review of the audit report by TÜV AUSTRIA GMBH. Therefore, it does not imply any assessment of the instruction manual, product or the production process of this product by TÜV AUSTRIA GMBH. Revisions to the referenced certification basis or any change of the design, materials, components or processing may require the repetition of all or some of the qualification tests for the audit report and therefore this associated certificate to remain valid.
