

CERTIFICATE

IEC 62443-4-2: Technical security requirements for IACS components

Certificate. No.: ZSTS/SWZE/7476

Organisation:

(legal name & address)

TTTech Computertechnik AG

Schönbrunner Straße 7

1040 Wien, Austria

Product:

(detailed description)

Certification of "NERVE Platform" verifying compliance with technical security requirements for industrial automation and control system components, according to IEC 62443-4-2.

Notes:

This certification applies either to software-only delivery or to specific hardware supplied by TTTech. Where MFN200 or Fitlet3 hardware is configured and delivered by TTTech, the certification is valid provided the installed software version is $\geq 3.1.0$. Where only software is delivered, the certification is valid provided the device is installed in accordance with TTTech instructions, includes anti-tampering measures, runs software version $\geq 3.1.0$, and has secure boot enabled.

Testing standard / Reference:

(norm / standard / directive)

IEC 62443-4-2 Edition 2019-02

Audit-Report no.:

TÜV-A-2025-0051210

Valid from:

05.12.2025

This certificate is valid until:

04.12.2028

According to the above stated audit report(s) the product tested comply with the applicable requirements of the mentioned reference. This Certificate has been granted to the applicant based on the results of testing performed and the consequent review of the audit report by TÜV AUSTRIA GMBH. Therefore, it does not imply any assessment of the instruction manual, product or the production process of this product by TÜV AUSTRIA GMBH. Revisions to the referenced certification basis or any change of the design, materials, components or processing may require the repetition of all or some of the qualification tests for the audit report and therefore this associated certificate to remain valid.
